

# HIRE FASTER **GROW BETTER**

**CUSTOM, FLEXIBLE, AND FLAWLESSLY EXECUTED IT SERVICES AND IT TALENT SOLUTIONS**

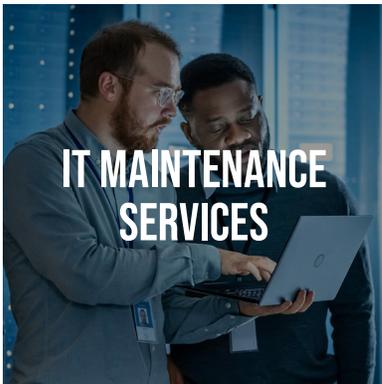

TSP is award-winning, customer-endorsed, and minority-owned. We provide custom, flexible, and flawlessly executed IT services and talent solutions throughout the United States and Canada.

We create great customer experiences by saving you time and money.

We're driven by integrity — we do what we say we will do — exceeding expectations.

Our value-based pricing focuses on your business objectives, making your success our top priority.

We don't manufacture devices or sell software — our product is our people.

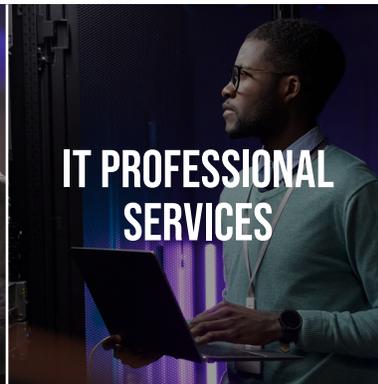

**IT MAINTENANCE SERVICES**

Simplify your IT service and reduce cost and downtime to your data center's network, server, and storage infrastructure with our custom IT services.

**IT WORKFORCE SOLUTIONS**

Amplify your team with our talented IT professionals and minimize the complications of managing people, processes, and technology in-house.

**IT PROFESSIONAL SERVICES**

Grow faster using our geographic reach and expertly trained IT workforce to achieve best-in-class IT support for you and your customers.

**IT RECRUITMENT SOLUTIONS**

Scale your IT workforce with ease by hiring faster, cutting cost, and minimizing turnover through our strategic IT staffing and recruitment solutions.

# SOLVING THE IT CHALLENGES THAT SLOW GROWTH

IT leaders today are balancing cost pressure, talent gaps, project timelines, and uptime expectations, often all at once. We deliver custom IT services and talent solutions aligned to the specific business pain points and growth triggers organizations experience. The result: faster execution, reduced risk, and scalable support that adapts as your business evolves.

PAIN POINT	VALUE THEME	HOW WE HELP
Project Backlog/ SLA Risk	Speed to outcome	Deliver project-based professional services (installs, upgrades, migrations)
Escalating IT Costs	Cost and risk control	Offer custom maintenance programs, manufacturer-independent contracts, white-glove service experience
Downtime/ Compliance Risk	Resilience and assurance	Provide 24x7 coverage, escalation management, centralized coordination and project management, and SLA-backed services
Talent Bottlenecks	Coverage and capacity without headcount	Provide resident engineers, managed service IT staff, or recruiting pipeline
Difficulty Hiring Specialized Talent	Streamlined talent acquisition	Run targeted recruiting solutions for niche technical roles
